Arizona's Good Funds Law

**ARS 6-834** requires that "escrow agents not disburse money from an escrow account until funds related to the transaction have been deposited and available." The legislation specifies which forms of payments are acceptable for deposit.

All availability dates are based on funds deposited in our bank, and the days are considered business days. A business day is defined as a calendar day other than Saturday or Sunday, and also excluding most major holidays.

### FOREIGN CHECKS:

First American Title does not accept foreign checks into escrow. This includes foreign checks paid through a US Bank. All money coming from outside the United States must be sent via wire transfer.

### THIRD PARTY CHECKS:

First American Title does not accept any third party checks. These include any check drawn on a non-financial institution account, payable to a payee other than First American Title and subsequently endorsed to First American Title. Exception: United States Treasury checks payable to Farmers Home Administration's borrower, endorsed over to First American Title.

### Caution

Due to the length of time it takes to receive notice from the banks on NSF and returned items when disbursing funds from escrow based on a deposit of a personal check, if 10 days have not elapsed since the funds were deposited, written verification from the customer's bank that the check has paid is required.

### \*\* First American Title Checks

Next-day availability is dependent on the check being drawn against the same bank or branch as our own depository bank. Both must be located in the same state or check processing region.

## THE ESCROW PROCESS AT F.A.T.CO

WHAT IS AN ESCROW? An escrow is a process wherein the Buyer and Seller deposit written instructions, documents, and funds with a neutral third party until certain conditions are fulfilled. In a real estate transaction, the Buyer does not pay the Seller directly for the property. The Buyer gives the funds to an escrow company who, acting as an intermediary, verifies that title to the property is clear and all written instructions in the contract have been met. Then the company transfers the ownership of the property to the Buyer through recordation and pays the Seller. This process protects all parties involved.

The State of Arizona licenses and regulates all escrow companies. The Insurance Commissioner and the State Banking Department can inspect a company's records at any time, providing further oversight of the company's management and position as an impartial third party to the transaction.

In Arizona, escrow services are generally provided by a title insurance company instead of an attorney. The stability, reliability and performance of your title and escrow company are vital to protect the interests of all parties to the transaction.

**HOW IS AN ESCROW OPENED?** Once you have completed the contract (or Purchase Agreement). and the Seller has accepted the offer, your Realtor® will open the escrow. The earnest money deposit and the contract are placed in escrow. As a neutral party to the transaction, First American can respond only to those written instructions agreed to mutually by all "interested" parties (Seller and Buyer); First American cannot otherwise alter the contract or create instructions, and that protects all interested parties.

**HOW TO HOLD TITLE.** You should inform your escrow officer and lender as soon as possible of how you wish to hold title to your home and **exactly** how your name(s) will appear on all documents. This allows your lender and title company to prepare all documents correctly. **(Changes later, such as adding or deleting an initial in your name, can delay your closing.)** A comparison of the ways to hold title in the state of Arizona appears on Page 13. You may wish to consult an attorney, accountant or other professional before deciding how to hold title.

WHAT HAPPENS AT FIRST AMERICAN? During the escrow period, our title department begins researching and examining all historical records pertaining to the subject property. Barring any unusual circumstances, a commitment for title insurance is issued, indicating a clear title or listing any items which must be cleared prior to closing. The commitment is sent to you for review. (See Explanation of Title Commitment on the next page.)

Your escrow officer follows instructions on your contract, coordinates deadlines, and gathers all necessary paperwork. For example, written requests for payoff information (called "demands") are sent to the Seller's mortgage company and any other lien holders.

### AS PART OF OUR SERVICE, FIRST AMERICAN WILL:

**OPEN** escrow and deposit your "good faith" funds in a separate escrow account.

**CONDUCT** a title search to determine ownership and status of the subject property.

ISSUE a title commitment and begin the process to delete or record items to provide clear title to the property.

Per contract, **CONFIRM** that the lender has determined you, the Buyer, are qualified for a new loan.

**ASK** you to complete a beneficiary's statement if you are assuming the Seller's loan.

**MEET** all deadlines as specified in the contract.

**REQUEST** payoff information for the Seller's loans, other liens, homeowners association fees, etc.

**PRORATE** fees, such as property taxes, per the contract, and prepare the settlement statement.

SET separate appointments: Seller will sign documents; you will sign documents and deposit funds.

**REVIEW** documents ensuring all conditions and legal requirements are fulfilled; request funds from lender.

When all funds are deposited, **RECORD** documents at the County Recorder to transfer the subject property to you.

After recordation is confirmed, **CLOSE** escrow and disburse funds, including Seller's proceeds, loan payoffs, Realtors<sup>97</sup> commissions, related fees for recording, etc.

**PREPARE** and send final documents to parties involved.

#### WHAT HAPPENS NEXT FOR THE BUYER?

**IDENTITY STATEMENT.** You will be asked to fill out an Identity Statement that enables our title department to distinguish you from others with identical names during our search of County records. It also provides basic information that will be useful for your escrow officer.

**HOME LOAN.** Unless you are paying cash, assuming a loan, or the Seller is financing, you will need to apply for a home loan if you have not already done so. Your Realtor<sup>®</sup> should be able to recommend several reliable sources for your loan. Apply as soon as possible to comply with the purchase contract and to avoid delaying the closing.

**RESPONSE TO SELLER'S NOTICES.** If directed by the contract, you will receive the following items which require a response from you. Your Realtor® can help you with your responses.

- a. Seller's Property Disclosure Statement listing any existing problems known to the Seller.
- Information pertaining to the Home Owners Association (HOA) or Planned Unit Development (PUD), such as Covenants, Conditions and Restrictions (CC&Rs), if applicable.
- c. Flood Hazard Disclosure if the property is in a flood area.
- **d.** Independent inspections, such as termite and septic, and any repairs as required.

**TITLE COMMITMENT.** You will receive a copy of the title commitment when we complete the title search. See across for an explanation of the title package you will receive from First American. If you have questions about the title commitment, contact your Realtor® or your escrow officer.

**CONSIDER THIS.** One escrow transaction could involve over twenty individuals including Realtors<sup>®</sup>, Buyers, Sellers, attorneys, escrow officer, escrow technician, title officer, loan officer, loan processor, loan underwriter, home inspector, termite inspector, insurance agent, home warranty representative, contractor, roofer, plumber, pool service, and so on. And often one transaction depends on another.

When you consider the number of people involved, you can imagine the opportunities for delays and mishaps. So, much like an airline pilot can't prevent turbulence during a flight, your experienced Realtor® and escrow team can't prevent unforeseen problems from arising. However, they can help smooth out the bumps and, whenever possible, get you safely through to a successful closing.

### EXPLANATION OF TITLE COMMITMENT

This explanation may help you understand the contents of the Title Commitment you receive from First American Title.

### SCHEDULE A

This is the information submitted to our Title Department by the escrow officer. It contains the basic information given to us by the Buyer or Realtor<sup>®</sup>, such as the legal description of the property, sale price, loan amount, lender, name and marital status of Buyer and Seller.

### SCHEDULE **B**

The Schedule B "exceptions" are items which are tied to the subject property. These include Covenants, Conditions and Restrictions (CC&Rs), easements, homeowners association by-laws, leases and other items which will remain of record and transfer with the property. They are referred to as "exceptions" because the Buyer will receive a clear title "except" the Buyer's rights will be subject to conditions in the CC&Rs, recorded easements, etc. The Buyer is asked to sign a receipt for the Schedule B documents which states the Buyer has read and accepts the contents.

### REQUIREMENTS

These are items that First American needs to delete and/or record in order to provide a clear title to the property. Items that need to be addressed include:

- Current property-tax status,
- Any assessments that are owed such as those for a homeowners association,
- Any encumbrances (or liens) on the property.

Sometimes items show up against a property because another person has a name similiar to an involved party. This is one reason we ask for an Identify Statement, to determine if items are inaccurate and can be deleted.

### ΝΟΤΕ

This is merely information given us by the County Recorder's office that specifies the proper size, margins and print type to be used on documents to be recorded.

If you have any questions, please do not hesitate to call your escrow officer for information and help.

Title may be held as "Sole and Separate." If a married person acquires title as sole and separate, his or her spouse must execute a disclaimer deed to avoid the presumption of community property. Parties may choose to hold title in the name of an entity, e.g., a corporation; a limited liability company; a partnership (general or limited), or a trust. Each method of taking title has certain significant legal and tax consequences; therefore, you are encouraged to obtain advice from an attorney or other qualified professional.

# Buying a Home in Arizona as a Foreign Buyer

and how FIRPTA applies!

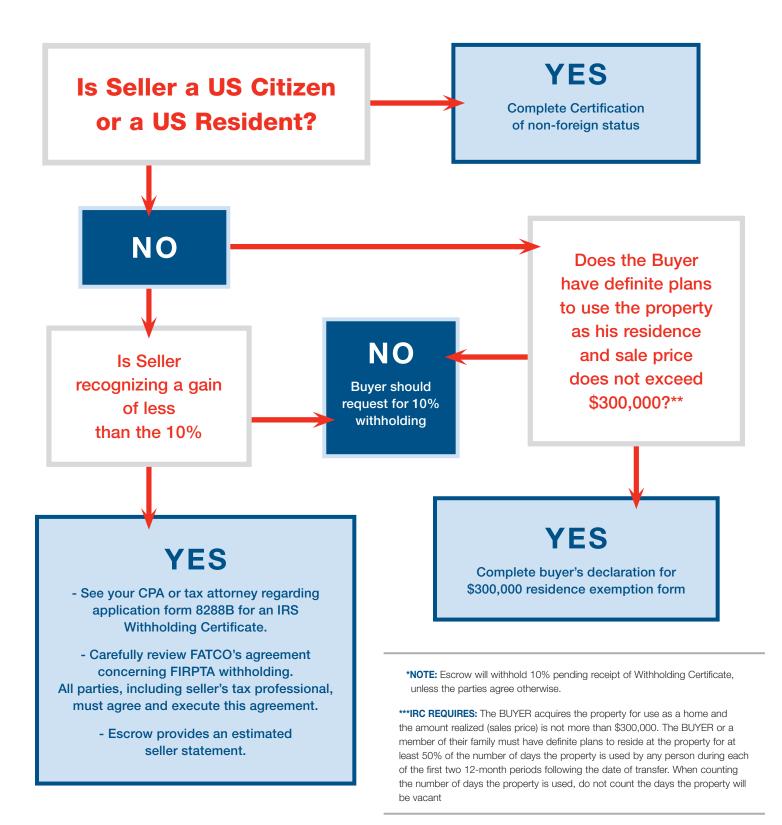

- All funds deposited for the escrow must be by wire transfer.
- Out of US Wire Transfers / Swift Fee: International transfers are executed through SWIFT, Society for Worldwide Interbank Financial Telecommunication, and there is an additional charge for this type of transfer.
  - The charge is deducted from the wired funds and varies from bank to bank. The charge is typically a flat rate and does not exceed \$50.00, so we recommend that our clients wire an additional \$50.00 when wiring from outside of the U.S.
- When a foreign owner gets ready to sell, they could be subject to a 10% (of the Sales Price) withholding unless the transaction is exempt from FIRPTA.
- Most common exemption: Sales Price is not more than \$300K. The Buyer or a member of their family must have plans to reside at the property for at least 50% of the number of days the property is used by any person during each of the first two twelve month periods after sale.
- Other Exemptions that may apply are:
  - ► Seller to provide a certificate showing they are not a foreign seller
  - ▶ Seller receives a withholding certificate from IRS excusing withholding
